

**REMARKS/ARGUMENTS**

Review and reconsideration of the subject application in view of the present amendment is respectfully requested.

The December 27, 2007 Office action presented several objections and rejections. By the present amendment all of the claims that were identified in connection with the objections and rejections have been cancelled. Specifically, claims 8, 10, 15-18, 25, and 30-35 are cancelled.

Claims 1-4, 6, 7, 11-13, 19-24 and 26-29 were identified as allowed in the December 27, 2007 Office action, and these claims are the only remaining claims in this application. Accordingly, Applicant respectfully requests allowance.

In light of the foregoing, it is respectfully submitted that the present application is in a condition for allowance and notice to that effect is hereby requested. If it is determined that the application is not in a condition for allowance, the Examiner is invited to initiate a telephone interview with the undersigned attorney to expedite prosecution of the present application.

If there are any additional fees resulting from this communication, please charge same to our Deposit Account No. 16-0820, our Order No. 38469.

Respectfully submitted,
